## Description

The Sealey SM355CE is manufactured to comply with supply of machinery (safety) Regulations 1992 and fully CE approved. All saw arms are fitted with hydraulic damping to prevent the arm being dropped onto the workpiece and to ensure smooth cutting performance. Coolant fluid system and main power controls are switched on 24volt circuit for extra safety. Heavy duty single phase electric motors with over-current sensor to cut power in the event of blade jam.

## Specification

Field	Detail
